

# How to Prepare Your Shredded Paper for Recycling

## SHREDDED PAPER

is accepted for recycling if it is packed into a recyclable paper bag or envelope and sealed shut with staples or tape.

*Shredded paper packed in plastic bags is no longer accepted.*

## YOU WILL NEED

a paper bag... perhaps reused from a to-go order, your shredded paper,

... and a stapler or tape.

**Just fill the paper bag with shredded paper.**

Then fold the top and seal the bag shut with staples or tape.

**RECYCLE MORE. RECYCLE RIGHT.**
